@c.m.g.305

From the Midwest to Miami, bringing my dry, self-aware voice to modern brand storytelling. As a Miami UGC creator, I specialize in crafting high-impact, ad-ready vertical videos across food, fashion, beauty, lifestyle, and pets. Backed by 2.4M views in the last 6 months, my co-star Luna (my Frenchie) and I create relatable, authentic content that builds real community and drives results.
